Prateek Grand City is a heavenly community where dreams come to reality with the poetic flow of themed classical gardens.

The poetic language is well connected with the buildings which are named after flowers bringing fantasies and wonders to the gardens... It's a community where neighbors become friends with the abundant amenities provided. Not to mention just gardens, the philosophy of a family nucleus is well balanced in Prateek Grand City with facilities that are designed for all ages.

PRATEEK

GRAND CITY
— THE GRAND LIFE —
